<sup>4</sup> Please note: Prepaid mobile telephone service does not qualify for a refund claim.

**If you choose a standard amount for one type of service, you cannot receive a refund under Options 2 or 3 below for the same type of service** (e.g., you cannot receive a standard refund amount for mobile service and also another amount for mobile service under Options 2 or 3). You may, however, claim the standard amount for one kind of service and claim under Options 2 or 3 for another kind of service (e.g., you can claim a standard refund amount for mobile service and also file an Option 2 or 3 claim for landline service).

**NOTICE TO T-MOBILE CUSTOMERS** – If you had phone service with T-Mobile during the August 2005 to November 2008 time period, T-Mobile will search for and send directly to you whatever TUT payment records they can locate. Email [UUTclaimCountyOfLA@T-Mobile.com](mailto:UUTclaimCountyOfLA@T-Mobile.com) for details, or call 1-877-453-1304, ask for “Representative”, then request historical tax information as described in T-Mobile’s C2 document #440884. Once you have the documentation, check the box under Option 2 and submit the documentation with your claim. If T-Mobile cannot locate your TUT payment data, you may utilize Options 1 or 3.

**NOTICE TO SPRINT AND VERIZON CUSTOMERS** – If you had telephone service with **Sprint** and/or **Verizon** during the time period August 2005 to November 2008, you can provide consent for Sprint and/or Verizon to search for your TUT payment data and provide it directly to the Claims Administrator. Check the boxes and complete the fields below to provide consent.

While they will make a good faith effort, there is no guarantee that Verizon or Sprint will find your TUT payment data, or that the data will be complete. If Sprint and/or Verizon is unable to locate any TUT payment data, your claim will be treated as if it were an Option 1 claim for that kind of service.

Data for accounts previously held with Verizon California Inc. (now known as Frontier California) will not be searched or provided by the Verizon companies. If you had an account through Verizon California (commonly residential landline accounts) you should choose another option for that account.

<sup>5</sup> If you submit fewer than three bills from 2006, 2007, or 2008, your claim will be limited to the amount shown on the bill(s) for that year. If you do not submit a bill from August 2005-December 2005, you will not be entitled to claim any amount for that five month period.

In order to claim a refund for the full class period under this option you must submit 3 bills from each of three different calendar years, plus one bill from a fourth calendar year (e.g., three bills from 2013, three bills from 2014, three bills from 2015, and one bill from 2016). Your refund claim will be determined based on the average TUT paid to the County of Los Angeles reflected on the bills for each calendar year for which you meet the criteria. So, for example, if you submit only three bills from 2014, you will be entitled to a refund for only one year of the Class Period.

- Check this Box if you are submitting copies of recent bills reflecting TUT paid to the County of Los Angeles. **Be sure to include at least ten bills from four different calendar years, with at least three bills in each of three different years.
